RAPID API

This is a Movie search website where with the help of API you  
can search any movie.

Github:// MovieLand

## CO CURRICULAR INTERESTS

### •Workout :

I have a habit of working out in morning which help me to  
increase concentration power.

### •Coding Contest :

I like to participate in programming contest which helps me to  
handle pressure of time span and solving more problems in the  
given time.
